In accordance with article 145.1 of the Mercantile Registry Regulations, the appointment of administrators will expire after the deadline, the next General Meeting has been held or the legal end for the holding of the meeting that had to resolve when the approval of accounts has elapsed from the previous year.

This information is issued with reference to the data incorporated into the computer file of the Mercantile Registry and has a merely informative value. In the event of disagreement, the content of the registered entries prevails over the means to reliably accredit the content of the entries and other documents filed or deposited in the Registry (Article 77 of the Trademark Registry Regulations). The incorporation of individualized consultations by natural or legal persons is totally prohibited, and this even though the origin of the information is stated (DGRN Instruction of February 17, 1998)
